CSA-07
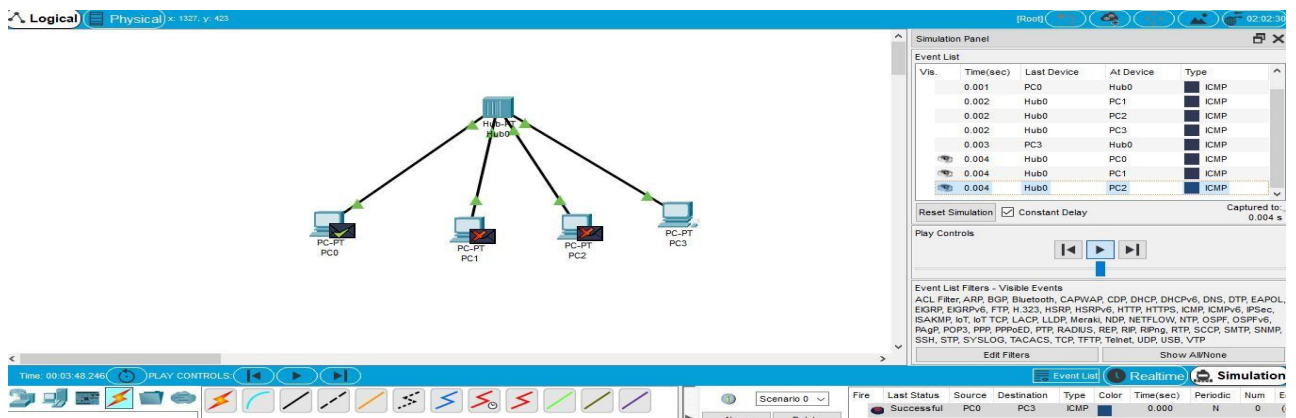

Lab Experiments: 1-5

1.Configuration of Network Devices using Packet Tracer tools (Hub, Switch, Ethernet, Broadcast)

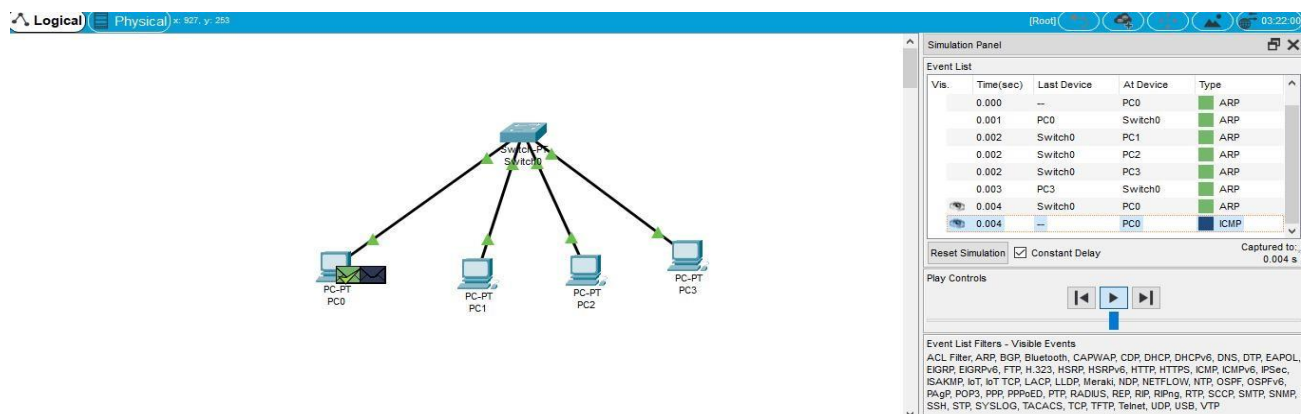

2. Design and Configuration of Star Topologies using Packet Tracer
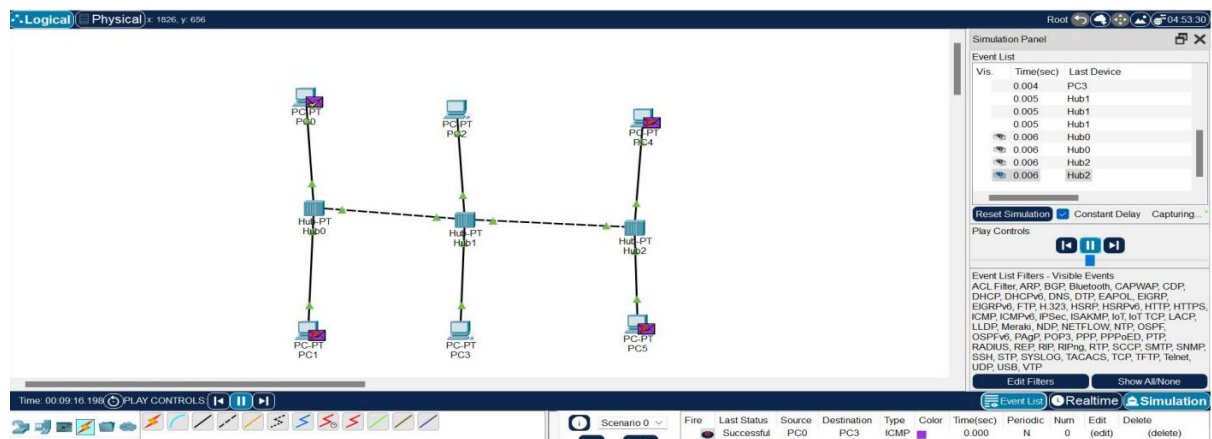

Star Topology using Hub:

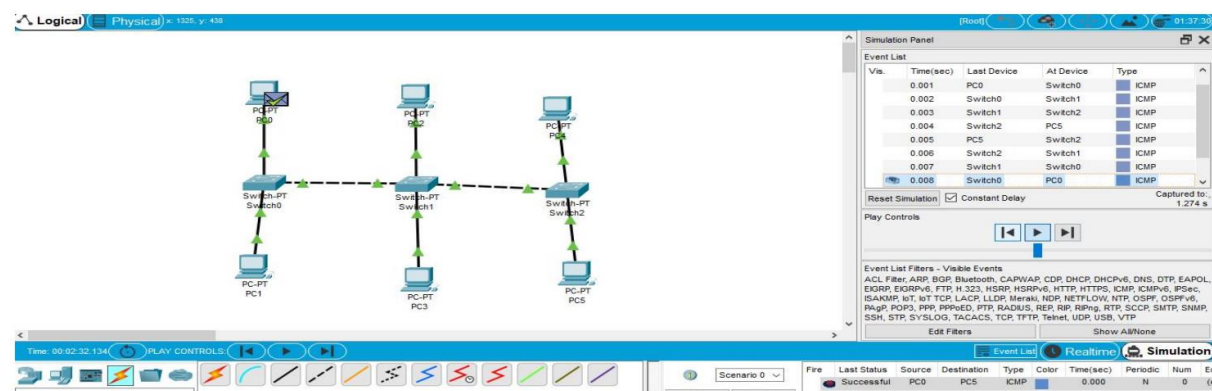

Star Topology using Switch:

3. Design and Configuration of BUS Topologies using Packet Tracer.
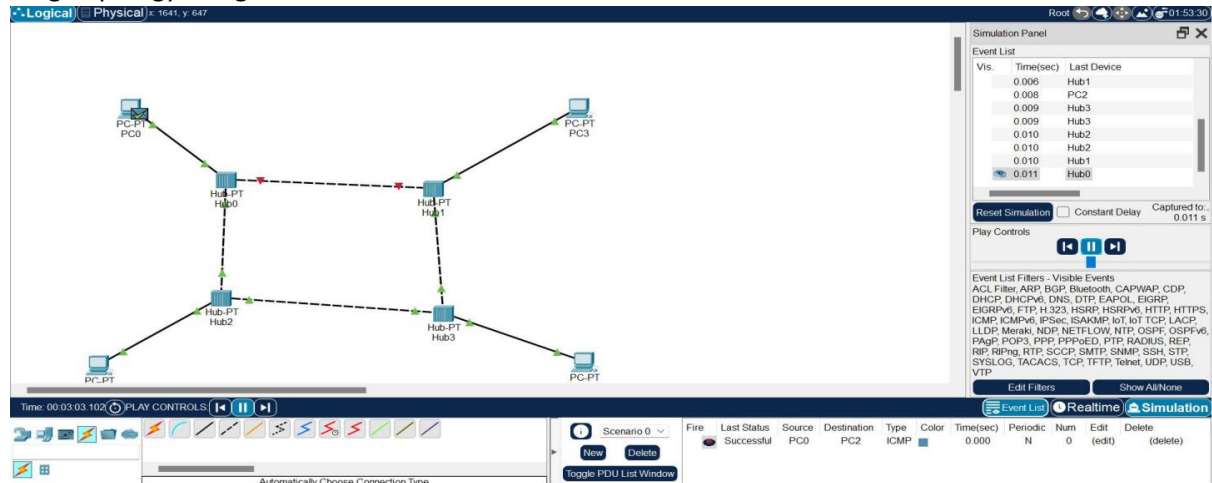

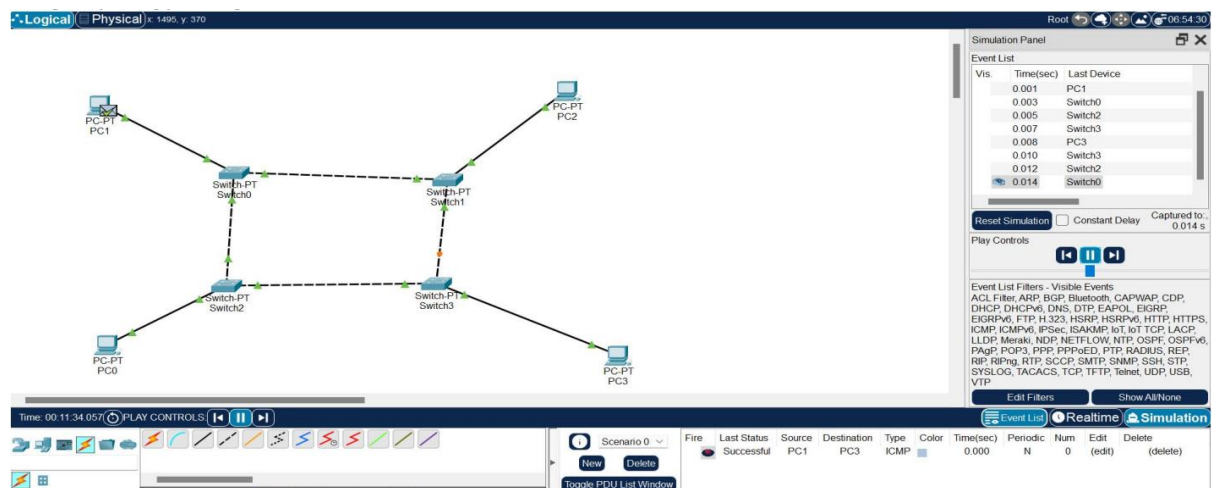

Bus Topology using Hub:

Bus Topology using Switch:

4. Design and Configuration of RING Topologies using Packet Tracer
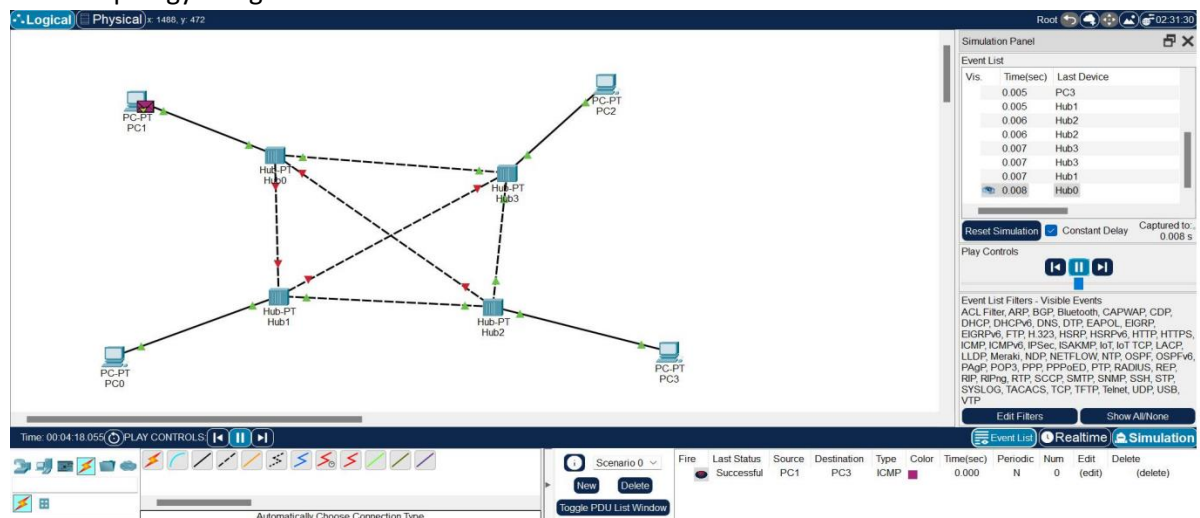

Ring Topology using Hub:

Ring Topology using Switch:

5. Design and Configuration of Mesh Topologies using Packet Tracer

Mesh Topology using Hub:

Mesh Topology using Switch:
